MEMORANDUM FOR: Chief, Budget Division
Chief, Finance Division
Chief, Fiscal Division
Chief, Technical Accounting Staff

SUBJECT : Uniform Object Class Data

1. Obtaining uniform interpretation and recording of object class data is one of our biggest financial management problems. This appears to result mainly from incomplete definitions and illustrations that can be used in the preparation of budgets and the coding of accounting documents.

2. A working committee is hereby appointed to study this problem and prepare a recommended "Object Class Guide" by 30 October 1959. The committee membership [REDACTED]
